

Act ★ Change ★ Teach - Action Plan!

This Personal Implementation Sheet is designed specifically to help you go from inspiration to implementation in the shortest time possible so you can enjoy success faster!

“The difference between an average performer and extraordinary performer is... Implementation!”

Act On... *From today's learning, what things do I need to Act on?*

Change... *From today's learning, what things do I need to Change?*

Teach... *From today's learning, what things do I need to Teach to others?*

After today's learning review all of your A.C.T. notes, prioritize and re-write the main items that stand out to you then, set a date in your calendar when you'll take action on your A.C.T. items.
